AMWAY DONATES \$50,000 FOR QUEENSLAND FLOODS

Amway will donate \$50,000 for the Queensland floods.

\$25,000 has been donated to the Premier's Disaster Relief Appeal.

A further \$25,000 will be donated for recovery assistance in the coming weeks and months ahead.

"The Queensland floods are one of the worst natural disasters to ever hit our community," Michial Coldwell, General Manager of Amway Australia, said today.

"I offer my condolences to all of the families of the victims. This is a terrible time for many in our community and our thoughts are with them."

Along with the anguish and destruction, the Queensland floods have also brought out the best in people.

"The Australian spirit is on display for all to see. The volunteers and the rescuers have all worked hard for those in need," Michial Coldwell said.

"We hope our assistance can help communities rebuild."
